COUNTY OF TOOLE

226 1ST Street South
Toole County Courthouse, Shelby, MT 59474

TO: House Appropriations Committee, John Sinrud Chairman

FROM: Toole County Commissioners

DATE: 3-27-07

SUBJECT: HB 836

We would like to take this opportunity to urge your support for this bill in your committee. Infrastructure improvements are something all counties and cities in the state of Montana have need of. Economic Development will not occur in places that do not have adequate infrastructure to attract business. This bill will provide some needed money in that direction to all local governments in the state. Please give your support to this bill. HB 836 cuts across party lines and is a win/win for local governments and their constituents.
